

ParentChild+ is a **school readiness program** for children ages 18-48 months designed to support parents as your child's first and most important teacher. This free program **brings fun and engaging early learning experiences right to your home!** Each week an Early Learning Specialist brings a high quality book or toy and shows you fun ways to help your child learn at home. You keep the **books and toys!**

**Program Structure:** A trained home visitor (Early Learning Specialist) will come to your home twice a week for 30-minute sessions. Regular meeting times are set at your convenience during the day or early evenings. The visits take place over the course of 46 weeks, with flexible breaks during the summer and holidays. Resources will be translated into your home language. This is a free, voluntary program.

**Who is Eligible?** Families living in Acton, Bedford, Boxborough, Carlisle, Concord, Harvard, Lincoln, Littleton, Maynard, Sudbury or Westford are eligible. Priority may be given to families who cannot easily access our traditional programs, due to lack of transportation, a language barrier, having multiple children under age six, complex work schedules, single parenting, or other circumstances.
